Brethren: We are now six months into the year 2015 and halfway through our efforts on the VMAP program. With that being said, I would like to mention some of the accomplishments we have made with this program. We have conducted our Spring Reunion where we added several educational sessions both for our

candidates and for our existing members. The initial reports are that these programs were well received by those in attendance and we are working on some new sessions for our Fall Reunion.

Also at our Spring Reunion, each of the four bodies were opened by their officers before the degrees of their respective bodies were conferred. The bodies were also closed at the conclusion of their degrees. All of the officers did an outstanding job considering that this is the first time that this has been done. This will continue with our Fall Reunion.

For the candidates of our Spring Reunion, we will be presenting them with their Patents of Membership and pyramids at our August meeting. We encourage all of them to attend this meeting and receive these materials.

Our Fall Reunion will be held on October 17 and 24. We have one candidate so far, but now is the time to be talking about the Scottish Rite to our Brethren who have not yet had the experience and teachings of the Rite. We hope to have a big class in the Fall, but that will be determined by all of us encouraging non-Scottish Rite Masons to take that additional step. On October 10, we will be having an Open House for the Fall Class candidates, their wives and their first line signers. Everyone will receive a tour of the building and a nice lunch courtesy of the Valley of Tampa.

Speaking of our Reunions, they are not just for our candidates. They are to serve as a reunion for our current Brethren to gather once again and catch up on old times, see old friends and make new ones. If you have not been to a Reunion in some time, you are encouraged to attend any or all of our Reunions.

In this issue of *The Bulletin*, we are pleased to recognize those Scottish Rite Brothers who are currently serving the Grand Lodge of Florida in elected or appointed offices and committees. The Scottish Rite in general and the Valley of Tampa in particular has always been a big support of Craft Masonry and the Grand Lodge of Florida and those listed in this issue is certainly indicative of that support. We wish these Brothers well as they carry out the work of the Grand Lodge this year and we are always there to support them in their endeavors.

Brother to Brother Program

The Valley of Tampa has a program to assist those brothers who for various reasons are unable to pay their Scottish Rite dues, and face being suspended for non-payment of dues. The last thing the Scottish Rite wants to do is to suspend a member because they fell on hard economic times and can't pay their dues. Most of

the time the member is too proud to ask for assistance from a fellow member.

The list of Brothers who have agreed to pay a Brother's dues has dwindled down. This program is voluntary, but I would encourage you to sign up if you are able to do so, and help a needy Brother from being suspended (2014 delinquents haven't been suspended.)

When a request is received by my office, the facts are checked out and if it is determined that the brother is unable to pay his dues, the Secretary will send a letter to the next participating Brother on the list.

If you are agreeable to assisting the Valley and the Scottish Rite in this program, please mail the Brother to Brother Pledge Form, or contact the General Secretary's office, either by calling (813) 886-0578 or by email: generalsecretary@srtampa.org. 🐼

Director of Work & Member Education

by Casey A. Fletcher, 32° KCCH

Preparations continue for our Fall Reunion on October 17 and 24, 2015. We anticipate that some "new" degrees will be ready—degrees that have not been

conferred in quite some time. Brethren interested in joining a degree team should send an email of interest, with contact information, to dow@srtampa.org. Quite a few teams have openings—both speaking and non-speaking parts.

Important as membership growth is, our Reunions are not just about inducting new members. They are about learning. Many Brothers re-attend Reunions to refresh their memories about the degrees they've already witnessed and to see degrees not conferred when they joined the Valley. Ritual work is the primary way our Rite teaches. Our regular attendance at Reunions is a good habit. We also learn from special activities and self-study.

Our recent Spring Reunion had two special educational activities that endeavored to explore the lessons and meanings of our degrees. They were well received by both the class and attending members.

The first session specifically addressed the 9th and 10th degrees. These degrees deal with the ruffians. Recall that in the 3rd degree of the Scottish Rite, the ruffians escape. This leaves unfinished business in the Hiram Legend that our Rite addresses in the 9th and 10th degrees. There is more to these two degrees than the simple message "justice prevails."

The second session provided a tour from the 1st degree of the Blue Lodge through the 18th degree. The character and plots were reviewed so connections between the degrees could be made. How each degree points back to several previous ones and how each lays a foundation for ensuing ones became more evident. We hope to include one or two such sessions in the Fall.

In the meantime, two excellent programs are scheduled for our July and August Consistory meetings (listed elsewhere in this Bulletin). We should continue our education by participating in the Master

Craftsmen self-study programs. Utilizing *Bridge to Light*, the *Monitor and Guide*, *Morals and Dogma* and a few other Masonic books, the programs help chart a course for our study and understanding of the Rite.

Learning. That is what we came here to do, right? Our Reunions, educational programs and self-study courses provide an opportunity to learn and grow.

Finally, let's begin recruiting Master Masons for the Fall. Get October 17 and 24 on their calendars! 🐼

Valley of Tampa History

by Ill. C. Donald Prosser, 33°

In 1917, elections were held on New Year's Day. At the March 5 meeting it was approved to pay the Tyler a salary of \$10 per month. The Spring convocation was held on five days commencing on April 6, and concluding on April 20. The Class consisted of 33 candidates and was named "The Albert Pike Class."

The Valley of Tampa authorized purchase of Liberty Loan Bonds in support of the "War for World Liberty." The Finance Committee report was given at the July 2 meeting with the assets of the Valley reported to be \$31,668 and liabilities of \$1,798. The Valley approved purchase of the previously approved Liberty War Bond in the amount of \$3,000.

At the August 5 meeting a motion was made and passed to suspend dues for all Brothers "called to the colors" also approved was a motion to approve the same for all Ministers and Rabbis. The Valley approved a "slow class," to begin on October 8, ending on November 14, with two degrees conferred each time. Ill. Olin S. Wright 33° SGIG, consecrated 49 new members on that date. It was announced that Ill. Olin S. Wright 33° had been coroneted as SGIG of Florida at the Supreme Council 1917 Meeting. Ill. Wright 33° SGIG, ordered that all distressed Brethren unable to pay their dues were to be placed in Emeritus Status.

To end the dramatic year, America joined the Allies in WWI, Congress declared war on the Axis Powers on April 6, 1917. A secret message from Germany to Mexico had been intercepted offering an alliance to help Mexico recover all the territory lost during the Mexican War. German submarines had been sinking American ships carrying needed supplies to England and France. The first draft for the war was held. In Tampa 6,164 men volunteered for service. The Tampa Tribune stopped printing comics until WWI was over. 🐼

Our Declaration of Independence was signed over two hundred years ago. It provided us the comfort of knowing that we have the opportunity to create our own lives. The more we accept and acknowledge this, the more liberty we experience.

Let us not blame the world or ourselves for things we do not like in this life. With the aid of our Heavenly Father, we have the power to improve our environment.

An elected official once said, "To expect a change in human nature may be an act of faith, but to expect a change in human society without a change in human nature is an act of lunacy."

Our lives are a reflection of what we believe we deserve. As we increase our faith and open ourselves to God's infinite love we find that we receive new power flowing through us, guiding us to a new way of life.

These concepts hold true for all the things we do, especially for our fraternity. If we open our minds to receive the lessons of our ritual and act on them as each sees them as appropriate, we can take gigantic steps to improve not only our fraternity, but also the community and our personal lives. 🐾

In Memoriam

“Sunset and evening star, and one clear call for me! And may there be no moaning of the bar, when I put out to sea, but such a tide as moving seems asleep, too full for sound and foam, when that which drew from out the boundless deep turns again home. Twilight and evening bell, and after that the dark! And may there be no sadness of farewell, when I embark; for tho’ from out our bourne of Time and Place the flood may bear me far, I hope to see my Pilot face to face when I have crossed the bar.” – Tennyson
