Personal Representative

by Ill.: Russell B. Glendinning, 33°

Brethren: As I write this article for The Bulletin, I could not be prouder of our Brothers in the Valley of Tampa. As many of you know, in March, we held the last Reunion in our current location and also held our Annual Feast of Kadosh, on the same day. There is a lot of work doing just one of these activities, but to do them

both on the same day was a monumental task. You, our Brothers were responsible for 78 new Masters of the Royal Secret in the Valley. Thank you all who were the first and second line signers on those petitions and encouraging your brethren to advance their Masonic knowledge.

I also want to thank Ill.: Scott McAlister, 33°, General Secretary and Trish Warhul, our Administrative Assistant, in pulling together all of the details in organizing our Feast of Kadosh. We had 160+ brethren and their ladies with us that night for a wonderful feast and to hear our Sovereign Grand Commander, Ill.: James Cole, 33° and his words of wisdom. Thank you Grand Commander for taking the time out of your busy schedule to be with us for the Feast and for our Reunion. We were honored to have with us R.:W.: Robert Lambert, 32° KCCH, Deputy Grand Master, R.:W.: Glen Bishop, 32° KCCH, Senior Grand Warden and R.:W.: Donald Cowart, 32° KCCH, Junior Grand Warden. To our Grand Lodge officers, thank you for your continued support of the Scottish Rite and the Valley of Tampa.

Last, and certainly not least, a big thank you to Brother Paul Barber, 32° KCCH, the Commander of the Council and his officers for participating in the various toasts that are given at the Feast.

In this issue of the Bulletin, you will find our meeting dates and locations through the balance of the year. Brethren, I ask that you please pay attention to this information as we take the Valley on the road for the rest of 2022. I know that for some of our Brothers, the travel distance will be greater than when we held our monthly meetings at 5500 Memorial Highway. Perhaps this would be a good time to carpool to some of the locations, making the trip enjoyable. During this time of transition, please stay as active as possible by continuing to attend our monthly meetings. We have some great Lodges that have agreed to let us use their buildings and visiting other Masonic Lodges can be interesting and informative in and of itself. We will be serving dinner at these locations at 5:45 p.m.. The meals will be prepared by the host Lodge so I encourage everyone to make dinner reservations so

This publication acknowledges authority and yields allegiance to the Supreme Council A&A Scottish Rite, Southern Jurisdiction of which Ill.: Richard G. Hoover, 33° is Sovereign Grand Inspector General in the Orient of Florida.

that our hosts will have an accurate count as to how many meals to prepare.

I would like to take this opportunity to thank the members of the Sarasota Scottish Rite Club for our Ceremony of Remembrance & Renewal at our April meeting. They put on a wonderful performance and I think everyone was as impressed as I was with their exemplification of this beautiful ceremony.

It is at this time of the year that some of our members will be leaving for the summer to visit family and friends. We hope that you have a safe trip and enjoy your time away from the Greater Tampa area. We look forward to your return and will be happy to see you back at the Valley and participating in our events. 🏠

Office Relocation

Due to our vacating the Masonic Center, it is necessary to move our Administrative Office to another location. We have secured space in a nice building that will serve as our office and storage facility. The office will be located at 4515 George Road, Suite 370 in Tampa. We are in the process of

having the telephones transferred to the new location along with internet service, etc., so we are hoping that this move will be a smooth transition. Scott and Trish will be in the office during normal business hours (Monday - Thursday, 8:30 a.m. - 4:30 p.m.) 🏠

New Temple Project Update

by Chas Jordan, 32 KCCH,
Project Manager

As many, if not all, of our brothers are aware, we are undertaking the construction of a new facility to house the Valley of Tampa Scottish Rite for the next fifty

years. The current facility has served us well for nearly that same amount of time, and now we plan to sustain that quality for the next generation.

In October, the Valley voted to approve a development agreement with Onicx Development to utilize the equity in the 9.9 acres of land the temple currently sits on. The agreement calls for the development of multifamily homes on the riverfront of the property and a new 25,000 square foot facility on a 1.5 - 2 acre plot of land on the frontage of Memorial Highway. This project equates to \$8,000,000 for the new facility and an additional \$2,700,000 in revenue to the Valley from the developer. Any funds not used out of the \$8 million for the new building will also be provided to the Valley.

This project began with the intent to begin design of the new facility as well as the planning for the full site (with the development) in January. However, at that time, our design professionals Gresham-Smith respectfully informed us they could no longer serve in that capacity. As such, Onicx has had to seek out a new design professional firm to assist us in this project. This process took most of January, February and some of March, with interviews being held at the end of March and selection occurring in early April. This has meant our project has been pushed back awaiting these steps to be taken in the process. It is now moving forward and will resume its planned two-year design and construction timeline.

Deadline for July/August Bulletin

June 6 - Contributor deadline

June 13 - Office contributor deadline

June 15 - Transmit print file to our printer

In concurrence with the previous schedule, we have also undertaken to begin the process of vacating and moving out of the existing temple. A temporary office location has been selected at the George Road Business Park, not far from the current temple for use by our General Secretary and Office Manager. There is also a significant warehouse space included which will be used for the storage of materials needing to be saved and used again from the existing facility. This two-year lease went into effect in April of this year.

Plans are now being executed for the successful packing and moving of materials from various areas of the temple in preparation of the project. Each committee or area of the temple has been given the ability to gather their materials in preparation of the move, and the General Secretary has worked with the Temple Association to hire a moving contractor to move these materials efficiently and safely to the temporary facility.

This will be a long and uphill process my brothers. As anyone in the Construction industry knows, nothing is as simple as the plan says it will be. We have already hit one speed bump; I am certain we will hit another over the course of the next two years. Please know that your Personal Representative, your Temple Association, and I (as their Project Manager) have every intention of this project concluding with a building that will make every Scottish Rite Mason proud, here and beyond the Valley.

If you have any questions, concerns, or thoughts on the project, feel free to reach out to me at any time. 🐼

Masonic Digest

by Casey A. Fletcher 33°

There is nothing like a good story. Stories entertain and relax us, or they challenge us. They can be intense mysteries or imaginative fantasies. Sometimes stories are a comedy, sometimes a tragedy. But they are always, in some way, instructive. We learn as much from reading Aesop's fables as from *War and Peace*. A well-told story beats a textbook every time.

Freemasonry tells a good story, one about personal growth, self-reflection; about man's pursuit of

his proper role in the world and his relationship with other people and with Deity.

Think about it. Every degree is story. Each involves a traveler on a quest, a journey. He is searching for something or some place. Sometimes the degree ends with a destination having been reached, like when we ascend to the highest step of the winding stairs. Sometimes it concludes when a new, enlightening thought has entered our mind. Sometimes a degree ends with some accomplishment or achievement, sometimes with a tragic event.

But Freemasonry's stories always end with a lesson, some instruction. That instruction is often a question, such as, what do I do now? Now that I have completed a degree, how should my life change, how should my conduct be modified? (Sometimes the question is simply: what just happened to me? A lifetime can be spent trying to figure out "what just happened to me" in the second section of the Master Mason degree.)

The Scottish Rite continues the story (stories) begun in the Symbolic Lodge. For example, the Eighth Degree, Intendant of the Building, tells a story about the selection of the successor(s) to Hiram Abiff. We were left hanging at the end for Master Mason. The Hiram Legend doesn't tell us anything about the Temple's completion or who assumed leadership after our Grand Master was gone.

The Eighth Degree continues the story started in the Third Degree and in doing so offers some valuable things to think about. It includes ideas about succession planning, leadership, teaching, the importance of exemplary conduct, cultural continuity and even some suggestions about the proper relationship of labor and management. The Eighth Degree is another good Masonic story replete with concepts and lessons to contemplate.

The degrees of the Symbolic Lodge tell a good story. Those of the Scottish Rite make for good sequels. Ah! We should see them regularly.

Editor's Note: With all the change going on in our Valley of Tampa, Brother Fletcher's story seems to fit the time and place, "It includes ideas about succession planning, leadership, teaching, the importance of exemplary conduct, cultural continuity and even some suggestions about the proper relationship of labor and management." 🐼

Member Education & Director of Work

Irony is a suitable characterization of our Masonic journey.

Every initiate begins with the reasonable expectation, reinforced by the Fraternity, that

secret knowledge, a mystery or information long hidden from the profane will be obtained. How ironic it is to arrive at the milepost of the 3rd Degree only to learn that the “secret” cannot be revealed because it is lost. Not just simply misplaced in some dusty, dark apartment beneath the ground within a small wooden chest or coffer, but lost, “perhaps, forever lost!” Answers had been sought and, ironically, only symbols, allegories and metaphors were received. This was not expected.

The irony continues. We must grapple with the Lost Word. What is it? Really? Is it literally a word? Or is it a state of mind, a process or some allusion to an intellectual or spiritual condition? The Hiram Legend offers only the mythical explanation that it was a word of recognition for the travelling Master Mason’s economic benefit and convenience. This explanation is easily dismissed by thoughtful Masons and explicitly dismissed in the 13th Degree, Royal Arch of Solomon. If it were literally so, i.e., merely a word of recognition, knowing it would be but a weak ending to an otherwise good story. It must mean something, but the ritual does not tell us.

The discovery of the Lost Word is portrayed in the order of the Holy Royal Arch Mason in York Rite Masonry. Similarly, a Lost Word, True Word, and Real Word are offered in the Scottish Rite’s 14th, 18th and 32nd Degrees, respectively. To conclude from any of these rituals that, “oh, that is what the lost word is” may induce us to become settled and satisfied, to conclude we have the “secret.” If knowing such a Word impedes our continual search, we may have missed the point. If receiving the (a) Word seems to be an end point or a final destination of our journey, better it might be that it remains lost.

We commenced a journey to obtain a secret and we come to learn that our journey is a metaphorical

one, a continuous one, a journey conducted with a sense of duty and obligation. We know not our destination. We learn only to keep searching.

How ironic. The irony is not without intent and purpose.

As we commence rotating our meetings around the Valley for the next two years, we will endeavor to continue to confer some of the shorter degrees. We first need to determine logistics and understand accommodations. 🐾

Gen 1:1-4: In the beginning, God created the heavens and the earth. ²The earth was without form and void, and darkness was over the face of the deep. And the Spirit of God was hovering over the face of the waters. ³And God said, "Let there be light," and there was light. ⁴And God saw that the light was good. ESV

As Masons, we are ever travelling East in search of Light. Not that light that comes with the break of day, but that eternal Light that illuminates the hearts of all Masons. The Light that comes forth from God Himself. Genesis continues in verse four that God separated the light from the darkness. God abhors the darkness, for in the darkness, all sorts of evil reside. Evil cannot stand the light because it wants never to be seen for what it really is—the opposite of God, who is Light. In the light we can clearly see and, perhaps more importantly, be seen. Our actions are clearly discernible for all to see. Are we men of morals and integrity? We are if we call ourselves Masons. But do our actions match our words? Those that can say yes to this are the real Masons.

Our search for Light usually involves some form of Masonic Education, telling us who we are and what we are supposed to stand for—an external explanation from a learned Brother. Don't get me wrong, we need this type of education. But the search for Light I am talking about is an internal search for the Light of God. We say that as Masons we make good men better. We don't! We can help provide the tools, but only the individual, with the help of God, can make himself a better man. We need to search for that internal light, the Spirit of God, that dwells inside every man and let that Light flow outward from us so that all may clearly see what a good man is. The Light of God shining through us so that there is no darkness.

Our search for light is a search for Wisdom, Strength and Beauty. You may recognize these.

They are all gifts from God, who will give freely if we just ask. But these things cannot be taught; they must be discerned by looking inward and allowing God to enlighten us. We will never be fully enlightened this side of heaven, but as Masons we have obligated ourselves for a continual search for Light. Continue the journey, my Brothers, and let your light shine before all men. God Bless. 🙏

The Scottish Rite Foundation of Florida

The Scottish Rite Foundation is managed by Scottish Rite Masons, motivated by Masonic principles and administered with Masonic integrity. One of the two missions of the Scottish Rite Foundation is to support the many Scottish Rite Language Disorder clinics located in major cities throughout our beautiful State of Florida.

Mission #1 is to provide adequate funding for our highly efficient and desperately needed clinics. Our Foundation support consists of furnishing the clinics with necessary funds to operate the facilities and to hire and teach speech pathologists on staff. With the scope of the foundation being statewide and its diligent Board of Trustees, infused with renewed spirit and vigor, there will be an ever-expanding number of children being reached for treatment in new clinics being opened.

Mission #2 is to provide additional clinics, as they are required in the future. The persistent goal of Florida Scottish Rite Masons, through the Foundation, is to ensure that no child in the area of Florida, afflicted with a childhood language disorder goes without our help. It is important now that the vital needs and top priorities for the contribution of the program are in proper perspective for you. Years ago, we overcame the uncertainties of this huge, noble task. In Memoriam

“Sunset and evening star, and one clear call for me! And may there be no moaning of the bar, when I put out to sea, but such a tide as moving seems asleep, too full for sound and foam, when that which drew from out the boundless deep turns again home. Twilight and evening bell, and after that the dark! And may there be no sadness of farewell, when I embark; for tho’ from out our bourne of Time and Place the flood may bear me far, I hope to see my Pilot face to face when I have crossed the bar.” – Tennyson
